Tournament Rules

- Open to all Asian bowlers, non-Asians married to an Asian, non-Asian members of an Asian league (winter or summer, at least 21 games), or any bowler who participated in any previous Reno Asian/Nisei, Hawaiian, or AABA Tournament. **THE TOURNAMENT COMMITTEE RESERVES THE RIGHT TO DETERMINE THE ELIGIBILITY OF A BOWLER.** All participants must be age 18 or older. Everyone who participates and their guests will be members of the Asian American Bowling Association (AABA) without charge.
- Tournament entering average (21 or more games) based on 2A - 2H. USBC rules 319a, b, c, d, and e will apply to all entrants. Bowlers with right and left handed averages in a given year will use the higher of the two averages. Averages for all bowlers will be retrieved from the USBC website bowl.com. All bowlers must provide their USBC ID on the bowler information form. If the average as listed on bowl.com is inaccurate, it is the bowler's responsibility to provide the correct average signed by their Association Secretary. Tournament entering average will be based on the following criteria:
 - Highest 2019-2020 USBC (at least 21 games) Winter League book average (5/31/2020)
 - Highest 2018-2019 USBC (at least 21 games) Winter League book average (5/31/2019)
 - Bowler may use their most current Summer average (at least 9 games) if no A or B average. Please provide league sheet if Summer is used.
 - If not A, B, or C, then bowler will use 220 as their entering average.
 - If a bowler's highest or only average in a particular year is from a USBC Challenge/Sport league (certified or not), their average will be adjusted using the USBC Challenge/Sport tables.
 - Averages from non USBC certified leagues will be considered in determining the bowler's tournament entering average.
 - If a bowler's A or B USBC composite average is higher than their 21 game book average, bowler's composite average may be used.
 - Bowler's tournament average for the last 3 years from AABA and Reno Asian tournaments will be used if higher than 2A-2G.

A bowler who has had an average rerate above the average reported in rule 2 must report the rerated average to the tournament committee prior to bowling. Failure to report could result in disqualification with no refund of entry fees.
- The Tournament Committee reserves the right to re-rate or reject a bowler anytime prior to bowling. USBC rules 319c and d will apply to all participants. All new bowlers (no previous participation in the Reno Asian Tournament) will be reviewed for possible average adjustment.**
- For women, handicap is 90% of 220, with a maximum per game handicap of 90. For men, handicap is 80% of 220, with a maximum per game handicap of 64.
